PROTECTION FOR MERCHANTS.

The Meeting of the Retail Agency of Ohio County—What was Done.

A meeting of the Retail Agency was held last evening in their hall at 1210 Chapline street, and a re-organization for the ensuing year was effected. The meeting was called to order by the president, G. Ed. Mendel. A number of the members expressed themselves as to the benefits of the agency.

One said: "The Merchants' Retail Commercial Agency is no longer an experiment, but a permanent institution, growing with marvelous rapidity, and destined to revolutionize the retail credit system of this country, and save thousands of retail merchants from financial ruin."

Another said: "The agency has hardly had a fair show. It has been given bills to collect which were outlawed and really uncollectable, and yet thousands of dollars have been collected in this city during the past year which could not otherwise have been collected."

It was urged that all ought to stand firmly by the agency. It has lived longer than any other organization of the kind, and to-day it is affording a more perfect protection against "dead beats," and securing the collection of a greater number of otherwise uncollectable accounts, than in any previous period of its existence.

Secretary S. G. Naylor then read a long list of names of merchants who had signed the roll of membership for another year.

A NUMBER OF ACCIDENTS.

A Man Escapes Violent Death by a Very Close Margin.

Yesterday morning Charles Bucey, who was employed by Henry Koehnlein at excavating for the Standard Iron Company's new mill, at Etanville, was walking between a high embankment and a cart, when a large cave-in occurred. Several tons of the hard clay bank rolled down, catching Bucey and knocking him against the cart with considerable force. Several men shoveled and dug the dirt away from him, and when he was removed from beneath it, it was found that his right leg was broken in two places below the knee. He was removed to his boarding house, and Dr. Wagener called, who dressed and set the broken limb. Later in the day Bucey was taken to his home at Moorefield, Ohio.

Duffy O. R. and Cady out.

Yesterday Ed Duffy was about recovered from the effects of the shot he accidentally received early yesterday morning from his own pistol in Dan Cady's hands. At his earnest request Cady was released from the lockup, after Chief of Police McNichol had inquired into the circumstances and found the shooting was simply an accident. The prosecuting attorney advised his release, also. Duffy's face will be a little sore for a few days.

Thrown from a Wagon.

Ed Arkle, a son of R. V. Arkle, the South Side tinner, met with a painful accident yesterday. He was driving a mare hitched to a wagon out through the alley back of the stable, when the wagon struck an open gate and was upset. The boy was thrown out and in some way a gash was cut in the calf of his right leg clear to the bone. Dr. J. H. Pipes was called in and sewed up the wound.

Hit in the Mouth.

While William Scheur, who lives in North Wheeling and works in the stone quarry south of the creek, was holding a drill for a fellow workman to hit with a sledge, the heavy hammer glanced from the drill, striking him in the mouth, bruising it badly and knocking all his front teeth loose. The blood and loose teeth nearly strangled him before relief was afforded. Dr. Stifel was summoned and dressed the man's injuries.

"Buck" Davis Sick.

Yesterday afternoon Chief of Police McNichol received a telegram from Staunton, Va., asking him to tell Capt. Ed Davis that his brother, "Buck" Davis, was dangerously ill at Staunton. Capt. Ed had been working at South Chicago for some time, and Capt. McNichol sent word to him there of his brother's illness.

Reducing Salaries.

The city council of Martin's Ferry, at its meeting last evening, passed an ordinance reducing the salary of the mayor to \$150 per year, and allowing him his fees only in cases which he collects them. The salary of the city solicitor was also reduced to \$150 a year. It was ordered that bids be advertised for 1,700 feet of brick paving.

WHEELING'S FIRST EXPERIENCE

With the "Railroading" Process as Applied to Criminals—Duffy and Devlin Sentenced to Three Years' Imprisonment in the Penitentiary. Other Court Matters.

Yesterday in Part II of the circuit court, Judge Paul on the bench, the case of John, alias "Stony" Duffy and Claude Devlinny was taken up on the motion to set aside the verdict of guilty of grand larceny and grant a new trial. The motion was argued by the opposing counsel, Mr. Howard and Col. Arnett, for a few moments only, and Judge Paul at once overruled it, and there being no motion for arrest of judgment, he at once sentenced the prisoners to three years' imprisonment in the penitentiary.

Clerk Mitchell at once proceeded to make out the papers in their case and in that of the three colored men sentenced to the penitentiary before. They were ready for the sheriff last evening, and the five convicts can be sent to Moundsville to-day if desirable.

This rapidity of work is rather startling to the Wheeling public. Five felons graduated in two days is perhaps unprecedented in the history of the local courts.

This morning the wife-murder case of Wilhelm Maier is set for trial. There was a rumor yesterday that the defense would try to have the case postponed, but this could not be traced to a reliable source.

In Judge Paul's court yesterday Edward B. Bowie, Wylie Irwin and James P. Rodgers were confirmed as trustees of St. Luke's P. E. church.

In Part I, in the case of W. A. Carter vs. Frank Leslie, the death of the defendant was suggested.

IN THE U. S. COURT.

Local Cases Dismissed Yesterday—One Man Convicted.

In the United States Circuit Court yesterday the case of Minnie Zulauf, of this city, indicted for a violation of the internal revenue laws, was called. She was dismissed, as she merely rents the house in which the alleged offense occurred, to another woman, and has nothing to do with the conduct of the business.

Cynthia Miller, indicted for the same offense, was also dismissed, as there was a license out for the same house under another person's name.

John Bissett, of Hundred, Wetzel County, was found guilty of violating the internal revenue laws, and was fined \$100 and sentenced to thirty days in jail. In the course of the evidence it developed that his wife was equally guilty, also the main witness, William Boyd, and warrants were issued for them.

Samuel Moore, of Raven's Rock, tried for the same offense, and defended by Hon. G. W. Atkinson, was promptly acquitted.

The case of the Leechburg Foundry and Machine Company vs. the American Sulphur Company, was dismissed on motion of the plaintiff's attorney, the defendant not appearing.
